# FIRST IMPRESSIONS

The Electro Automation Group, offers true Nationwide coverage. We provide a wide range of solutions including automatic doors, automatic gates, turnstiles, barriers, access control and car parking systems.

First impressions do count, so why not upgrade the presentation of your shop front, so that it is not only attractive, but safe and secure as well.

Our easy and cost effective solutions can help make your business:

- Attractive
- Welcoming
- Secure
- Energy & Heat Efficient
- Convenient
- Modern & Impressive

*Why not improve the image and security of your business this year?*

The Electro Automation Group can design and install a new shop front for your premises, giving your premises a bright new revitalised image. You will be surprised just how affordable this can be, and how many additional customers your new look will attract. We can complete the scenario with a new automatic door providing additional convenience and security.

*Talk to us today...*

To book your **FREE no-obligation site survey** by one of our experienced surveyors. A typical project can take around 8 weeks from order to delivery and can involve as little as **two days** disruption on site.
